Call for Abstracts

Abstracts are now invited for presentation at the 32nd International Congress of Antimicrobial Chemotherapy (ICC) in Perth, Australia from 27 – 30 November 2022.

All accepted abstracts will be published in ISAC's open access journal, the Journal of Global Antimicrobial Resistance (JGAR) (Impact Factor 4:035).

The deadline to submit is **5th July 2022**.

YOUNG INVESTIGATOR TRAVEL AWARDS

Young Investigators who submit an abstract are encouraged to apply for a Young Investigator Travel Award (YITA). The applicant must be the presenting author. A number of awards will be made with selection based on the quality of the abstract.

Two types of Travel Awards are available for young investigators to attend the ICC:

ISAC Young Investigator Travel Awards

- ISAC YITAs are available to applicants from ISAC Member Societies outside the Asia-Pacific region.
- Applicants must be under the age of 35 years at the time of the congress.
- Awardees will receive 2,000 GBP towards their travel / accommodation and free registration.
- For more information on how to apply, please visit the website - 32icc.org.

ICC Young Investigator Travel Awards

- ICC YITAs are available to all colleagues within the Asia-Pacific region.
- Applicants must have received their PhD or MD within the last five years at the time of the congress.
- Awardees will receive up to 2,500 AUD towards their travel / accommodation and free registration.
- For more information on how to apply, please visit the website - 32icc.org.

HOST CITY: PERTH, WESTERN AUSTRALIA

Western Australia is where you can expect the unexpected in a place filled with extraordinary natural wonders, global industries and some of the world's best minds.

It is Australia's largest State, located in the same time zone (GMT +8) as 60 per cent of the world's population, including Singapore, China and Hong Kong, making it an attractive destination for international business delegates.

Our capital city, Perth, is home to two million people and is consistently ranked in the world's top most liveable cities, following billions of dollars of investment that has transformed the city.

Perth has a range of high-quality conference and meeting options including an abundance of outdoor meeting space that capitalises on its sunny climate.
