*Crossroads in Clinical Microbiology & Infectious Diseases:
Connecting Nations & Generations*

The Belgian Society for Infectious Diseases and Microbiology (**SBIMC/BVIKM**), the Dutch Society for Infectious Diseases (**NVII**) and the Netherlands Society for Medical Microbiology (**NVMM**) have the pleasure of inviting you to their joint congress.

On the 12th & 13th of November 2026, the congress. '**Crossroads in Clinical Microbiology & Infectious Diseases: Connecting Nations & Generations**' will take place in the south of the Netherlands.

We invite Dutch and Belgium colleagues for the societies of the BVIKM, NVII, NVAMM and NVMM. We also invite pediatric infectiologist and hospital pharmacists to attend the congress!

SAVE THE DATE 12 & 13 NOVEMBER 2026

Programme and Abstracts

The congress themes are:

- Dosing in Clinical Practice
- Biofilm related Infections
- Vaccination, Local Outbreaks, Infection Prevention/ Pandemic Preparedness
- Sacred Cows within Microbiology and Infectious Diseases

We cordially invite delegates to submit an abstract on a patient case or a scientific study for a poster presentation. Prepare your abstract in advance and submit it as soon as the abstract submission opens. Keep an eye on the websites of the societies for more information.

Important deadlines:
